Dear Parents,

Trivia night

Thank you to everyone who was part of Friday night. A special thank you to the organisers and the people behind the scenes. We all know a successful night such as ours does not happen by chance. It also relies on the support from the people who attended and enjoyed the night. Together we had a fun and wonderful night with lots of laughs and great conversations. Thank you to everyone who was part of the night.

The silent auction was a huge success with a great range of auction items available, there was something for everyone to bid on. Thank you to all the local businesses that donated their goods and services to our school for this event. The sponsors that supported our Trivia night are listed on our school newsletter, it would be great if you continued to support them throughout the year. I am pleased to say that we raised $4000.00 on the night which will go towards updating the junior school playground.

Barry Sheehan tribute ride

The Barry Sheehan tribute ride will once again pass through our town on Thursday. It is anticipated that they will be at San Remo by 1.30pm. The whole school will be attending to cheer on the motorcyclists as they arrive at San Remo. We welcome families to join us to welcome the bikes.

Head lice

We seem to have head lice around again. Please be vigilant with checking your child’s hair EVERY week. Getting on top of these pesky creatures will mean that we can make sure they are not spread throughout the school.

Questacon

Next week we are fortunate to have Questacon visit our school and work with our children. Questacon is a spectacular in school science show that aims to stimulate and challenge our students to explore science and technology in everyday life. The prep/1/2/area will have the show between 10 - 11am with the grade 3/4/5/6 children viewing the show between 11.30 - 12.30pm

Have a great week,  Karen  ☺
